

CLARIFY

that you know why
you want this and
what coaching is

- Know the **difference** between Coaching & other Modalities.
- **Coaching is not** therapy, training, mentoring or consulting.
- Pure Coaches **don't offer advice**.
- Know the **Dream Destination** you want to arrive at.
- Can you see yourself as a professional coach with an international coaching business?

CERTIFY

with an ICF ACTP
Accredited Program

- Research ICF ACTP Accredited Coach Training Programs.
- Choose a program that offers you **more than ICF Competencies**.
- Make sure you will also learn how to **Build a Coaching Business** (this is often only lightly covered).
- Check that the training **faculty** are **working coaches**.

CREDENTIAL

with the ICF International
Coaching Federation

- Strive to reach ACC Associate, PCC Professional and finally the top **MCC Master levels** of skill.
- Apply to the ICF for **Credentiailling**.
